

Instructions For Lockdown Process

1. Before you begin you need to purchase 6 A4 size registered post envelopes, 2 for each of the 3 step process. Before you begin you need to purchase 6 A4 size registered post envelopes, 2 for each of the 3 step process.
2. Click on link titled “Non Consent” on top Navigation Menu
3. Scroll down to “Lockdown Non Consent International”
4. Click on “Account Setup” and follow the prompts. Enter your personal details as these are required on all the documents making up the 3 step process. It will save you much time by not having to hand write your personal details on each document.
5. The first round of documents consist of;
 - a. 2 registered mail envelopes. These envelopes are used to address respondents in the Federal jurisdiction. Three Ministers documents are inserted in the one registered mail envelope because each is addressed to the **same** address – Parliament House. The second registered mail envelope is addressed to the Governor General at Government House.
 - b. 4 Certificates of Mailing – completed by your 3rd party witness – they themselves inserting all the first round of documents into a registered post envelope. Each Certificate of mailing is addressed to one respondent, either one of each of the three Ministers, or the Governor General. The Certificate of Mailing is the top document in each set of documents that are addressed to each respondent.
 - c. “Notice of Non Consent” is the second document in the set – being a completed document and requiring **only** your signature at the bottom of the last page. Signature should be made in purple or blue pen. Each of the 4 respondents in the Federal jurisdiction gets a copy.
 - d. “Declaration in the format of an Affidavit and Notice of Understanding and Intent and Claim of Right” is the third document in the set. It requires on the top of the 3rd page beside “L.S.” your thumb print – in purple or red ink or water base if you can locate a water based stamp, and then your signature before a J.P. in purple or blue pen. Make 4 copies of the Declaration, 3 for each of the Federal Ministers, the original to the Governor General (or to a Minister as long as all 4 respondents get a Declaration) and you keep a copy.
 - e. “Cruden v Neale” being a single page document that is an exhibit to the declaration and is to be placed behind the last page of the Declaration.
 - f. “Affidavit for Claimant” is the fourth document in the set. Do **not** complete this document as it is for the respondent parties to complete so ensure each of the four Federal respondents receive a copy. None will sign the Affidavit because to do so is their acceptance of liability for damages they cause you by the lockdown process. Bureaucrats are cowards and lazy and will never sign anything accepting liability. By not signing is already evidence of the respondents acceptance of liability by “assent” – silence.
 - g. A document expressing “Tampering with the mail...”. This statement is to be handwritten in bold red pen on the top of each envelope. Mail has been with held at a Post Office in Canberra near Parliament House. That is evidence of obstruction and tampering with mail, being a Federal offence. The Post Office needs to be placed on notice **not** to interfere with the delivery of mail.
6. You will receive the documents by email in PDF form.
7. Post both registered mail envelopes off after you have completed & signed the relevant documents.
8. You will receive another email with a copy of the four documents disclosed within 6(c) – (f) above, which are to be emailed to each of the State Ministers listed within the documents titled “Notice of Non Consent” and “Declaration”. The exception is for those living in the ACT, where the documents must be mailed to the Ministers because their emails are unavailable.
9. Wait 14 days before beginning the second round of documents.
10. On day 15, go through steps 2 to 5 above and just below “Accounts Setup” click on “Round 2”. Enter your email address and password. An email bearing the second round of documents, a “Certificate of Mailing” X 4, and a “Default Notice” will be sent to your email address almost instantaneously.

11. Just like the round one process, have your witness, a friend or family member, complete the 4 respective "Certificates of Mailing". You sign the Default Notice. Scan it and print another 3 copies, one for each Federal Minister and another for the Governor General.
12. Then insert the Certificate of Mailing and Default Notice for **each** of the Federal Ministers into the one registered mail envelope and the remaining Certificate of Mailing and Default Notice into the other – second registered mail envelope addressed to the Governor General.
13. Naturally you will receive another email with a copy of the Default Notice, which are to be emailed to each of the State Ministers listed within the Default Notice. The exception again is for those living in the ACT, where the Default Notice must be mailed to the Ministers because their emails are unavailable.
14. Again wait 14 days before beginning the third round of documents.
15. On day 15, go through steps 2 to 5 above and just below "Round 2" click on "Round 3". Enter your email address and password. An email bearing the third round of documents, a "Certificate of Mailing" X 4, and a "Final Notice" will be sent to your email address almost instantaneously.
16. Just like the round one process, have your witness, a friend or family member, complete the 4 respective "Certificates of Mailing". You sign the Final Notice. Scan it and print another 3 copies, one for each Federal Minister and another for the Governor General.
17. Then insert the Certificate of Mailing and Final Notice for **each** of the Federal Ministers into the one registered mail envelope and the remaining Certificate of Mailing and Final Notice into the other – second registered mail envelope addressed to the Governor General.
18. Naturally you will receive another email with a copy of the Final Notice, which is to be emailed to each of the State Ministers listed within the Final Notice. The exception again is for those living in the ACT, where the Final Notice must be mailed to the Ministers because their emails are unavailable.
19. If the respondents haven't replied to your registered mail and email correspondence within 14 days **after** receiving your correspondences, an agreement is established between all the parties (you and the respondents) where the respondents have agreed and accepted, by their silence and intent – action – inaction and acquiescence;
 - a. An equitable estoppel is established whereby the Respondents have waived their right to pursue any claim against you, and
 - b. They have no claim of jurisdiction or authority over you and therefore cannot legally, lawfully or validly compel you to comply with their directions nor any lockdown legislation or process/es, and
 - c. You are a private man or woman, as the case may be, therefor being beyond their sphere or scope of authority and jurisdiction, and
 - d. You are free and at liberty to do as you so see fit and desire as long as no life I harmed.
The process is only as effective as how effective you are at holding your position. A good webinar to watch is the one titled ".
20. The question of **enforcing** your rights and status has frequently arisen.

There are a number of processes to support, protect and enforce your rights and status, as a private man or woman. We recommend & suggest one or more of the following;

(a) Ensure you carry with you on your person & in your car, a copy of:

- i. Your source document to your ID (Information is online at <https://www.solutionsempowerment.com> under "Courses"), and
- ii. Copies of your notarised or JP sealed three notices & Declaration or Affidavit
- iii. Copy of the document titled "Affidavit of Claimant" <Doc #1> for the respondent aggressor to complete
- iv. Copy of the document titled "Notice of Conditional Acceptance" <Doc #5> for the respondent aggressor to complete

So you can serve the respondent; (a) evidence of an agreement that you are exempt from the restrictions & impositions of the lockdown or vaccination legislation, and (b) you can hold the respondent liable should they harm you by directing them to complete the Affidavit Of Claimant & the Notice of Conditional Acceptance if they wish to conduct business with you, & they will refuse to do so thereby acknowledging your exemption to the legislation & allowing you to proceed on your way.

Affronted by an aggressor, an alleged party of authority

- (b) Learn how to say “I decline your offer” or “I don’t consent to your offer, & since all transactions are contractual implying a requirement for consent of all parties, your offer is declined, thank you” & go on your way.
- (c) Contact by telephone the office of the State and/or Federal Health (if CV19 or other vaccination issue) or Transport Minister (if lockdown, border crossing or travel issue) & ask for the Minister or someone next in line to authority, obtain their:
- i. Name/s
Job Title
Indemnity Insurance Details & #
 - ii. Notice them;
You don’t consent to the impositions or restrictions imposed upon you, and
You don’t consent to any offer to contract, and
You don’t consent to conducting business with the oppressor, aggressor & law breaker, and
You don’t consent to being surety for the <YOUR LEGAL NAME>, and
You don’t consent to being subject to the legislation the oppressor, aggressor & law breaker relies upon as their claim to source of authority, and
You will “**comply**” with the oppressor, aggressor & law breaker’s directions or orders as soon as they have each signed the documents titled “Affidavit Of Claimant” & “Notice of Conditional Acceptance” thereby accepting liability for their actions, restrictions & impositions against you & any harm or damages they cause you and/or your estate. Naturally they will refuse to do so, being **evidence** of their admission & agreement they have no authority over you or to impose or restrict you in any capacity. You then direct the person in authority to **immediately** draft you a letter expressing you & your family’s **exemption** from the vaccination, CV19, lockdown and associated legislation.
This the person in authority will do for you.
- (d) Shame & blame your adversary by;
- Recording your encounter on your mobile phone & uploading it to Youtube, & tell them so, and
 - Notice them they are breaking the law, committing Federal Offenses against you & the Commonwealth Of Australia, such as breach of your peace, threats with menace, assault, deprivation of liberty, trespass (your time & person), wrongful arrest etc thereby **invoking** (in Australia) the office of the Commonwealth Public official (**CPO**) (Information is online at www.solutionsempowerment.com under “Topics”, scroll down to “webinars” & watch the CPO webinar, the support documents being in the “Shop” link – Module 23) (Maybe Rangers in USA) whereby you now have a duty to report their offence/s, by way of **formal complaint** (Information is online at www.solutionsempowerment.com under “Topics”, scroll down to “webinars” & watch the “Formal Complaints” webinar, the support documents being in the “Shop” link – Module 24), to their superiors & their indemnity insurer & you’ll see if they have a job remaining the following week, then watch them back right off! And
 - If you have no office available in your country to stop an aggressor’s actions, then notice them you’ll deliver a formal complaint to their superiors & their indemnity insurer as above, which should bring the aggressor’s actions to a grinding halt.
- (e) File a formal complaint regarding the illegal, unlawful & aggressive actions of the oppressor, aggressor, offender & law breaker, to their superiors, the office of their superiors or employers, to the appropriate Minister/s, to the office of the Attorney or Governor General, to the Federal Police, **and** (the king hit) to their indemnity insurer who in turn may “pull” their public liability insurance so the oppressor, aggressor, offender & law breaker can no longer be employed by reason of the risk to society.

(f) And the mode recognised most effectively by public employees & officers, being a **Court Order**.

If **not** harmed by the oppressor, aggressor, offender & law breaker;

- i. File an application in the Supreme Court of your State/Country for Orders for **Declaratory Judgment Ex Parte** (ie. without a court hearing or appearance required because you **file** evidence of your private judgment, the default by the respondent/s to reply to & answer any of your three delivered notices, so a Registrar can make the Order) with a supporting Affidavit exhibiting your evidence of the agreement achieved with your oppressor, aggressor, offender & law breaker which they are now in breach of. Ensure you serve the respondent a copy of the application & supporting Affidavit. (Information is online at <https://www.solutionsempowerment.com> under “Topics”, scroll down to “webinars” & watch the “Application for Orders for Declaratory Judgment Ex Parte” webinar, the support documents being in the “Shop” link – Module 45). A decision may be made within one to two weeks after filing. That Judgment is to remain at your finger tips and a copy kept within your automobile.

If you were/are harmed or your property damaged by the oppressor, aggressor, offender & law breaker;

- ii. File a Claim with a Statement of Claim in the appropriate State Court (subject to quantum of the award of damages, a liquidated sum) against the oppressor, aggressor, offender & law breaker & their employer. Once a copy of the Claim & Statement Of Claim are served on the oppressor, aggressor, offender & law breaker & their employer, they have 28 days from the date of being served to file a defence. (Information is online at <https://www.solutionsempowerment.com> under “Topics”, scroll down to “webinars” & watch the “Pursue a Claim” webinar, the support documents being in the “Shop” link – Module 31). If no Defence is filed you can file on day 29 an application for Default Judgment **Ex Parte** (Information is online at <https://www.solutionsempowerment.com> under “Topics”, scroll down to “webinars” & watch the “Application for Orders for Default Judgment Ex Parte” webinar, the support documents being in the “Shop” link – Module 46) for the quantum – amount of the award. That Judgment is to remain at your finger tips and a copy kept within your automobile. If a defence is filed the matter will likely proceed to trial. Your success is almost entirely reliant on the quality of your evidence. If your evidence is flimsy, don’t file a Claim.

Take Notice:

As we have not at this time experienced personally any offence, attack, oppression or harm caused by an oppressor, aggressor, offender & law breaker we have not yet prepared a Claim and Statement of Claim. However, an example of a recent Claim is provided within Module 31.

Happy participation and engagement!
